13  
14 This case was opened on August 23, 2017, based upon a letter to Judge Thelton E.  
15 Henderson from plaintiff, a California prisoner proceeding pro se, complaining about the  
16 implementation of a California Proposition 57. Specifically, he complains that overcrowding in  
17 the state prisons has not been alleviated. On the same day that the case was opened, the clerk  
18 notified plaintiff that in order to proceed, he must file a complaint and either pay the filing fee or  
19 file a completed application to proceed in forma pauperis (“IFP”). Along with these notices, the  
20 clerk mailed to plaintiff a form complaint, an IFP application, instructions for completing these  
21 items, and a stamped return envelope. The notices informed plaintiff that the case would be  
22 dismissed if he did not file a complaint and either pay the fee or file the completed IFP  
23 application, all within 28 days. No response has been received. Accordingly, this case is  
24 **DISMISSED** without prejudice.

25 The Clerk shall enter judgment and close the file.

26 IT IS SO ORDERED.

27 Dated: October 12, 2017.
